## Heuristic Evaluation Report

Class Nr.: LEIC08 - Date - Nuno Guimarães Group evaluated: 09 - NotteStudio By group: 01

Problem #	Issue (include screenshot)	Heuristic(s)	Severity (1-4)
1	The UI does not follow real-world conventions, feels a bit unintuitive. Schedule an appointment button being on the top left of the screen.	2	3
2	Does not provide help to users	10	1
3	It's not clear from some of the icons what it is that they are supposed to do.	4	2
